Healing the Earth One Soul at a Time

Spring 2011 Newsletter

As May begins we are really close to Spring in Wyoming, with nature's renewal well underway! We hope you will take the time to focus a little on yourself, however busy you are, and find time to begin a renewal - whether it is through reading, meditation, attending classes or just taking time for yourself.

We have relaxing CDs, crystals and stones to help your energy field, jewelry to inspire and books to educate and guide you on your life path.

*If you can't make it into the Center then we have exciting news - our webstore is now **open** with over 650 items from the Center available for shipping to you wherever you live! Check it out by going to our website www.MagoHealingArts.com and clicking on the **Online Store** tab or the webstore icon!*

We are expecting over 20 exhibitors and will be collecting three cans of food to benefit Needs Inc. of Cheyenne instead of an entry fee - or \$5. This time we also have 12 free workshops!
